

# Cross-Border Mexico

FASTER CROSSINGS. FEWER HASSLES. THAT'S THE BORDER BENEFIT.

## Seamless supply chain services throughout Mexico

When you ship cross-border with YRC Freight, you'll receive unparalleled customer service and the peace of mind that your freight will reach its end-destination exactly when you expect it to arrive. Our professionals work to ensure you the best service on both sides of the border and the most timely crossings of any carrier in the business. We offer:

### Faster Crossings

- **Professional Border Coordinators.** Our professional Border Coordinators know where your freight is throughout transit, and they work with brokers to ensure a speedy and efficient border crossing.
- **Time-Critical Service.** Our satisfaction-guaranteed Time-Critical shipping service is available both to and from Mexico, providing you with even faster, more reliable transit times.

### Fewer Hassles

- **Door-to-door visibility of your freight.** You will continue to receive the same visibility and tracking updates even when your shipment crosses the border.
- **Single-invoice convenience.** From shipping to end-destination, your entire transaction will appear on one convenient and easy-to-understand invoice.
- **A seamless end-to-end process.** YRC Freight employees manage each shipment from door to door, ensuring consistent processes and experiences on both sides of the border.
